

July 17, 2010

Our non-profit association has been serving the local business community for 34 years. Membership includes insurance professionals and affiliates throughout Western New York. Aside from the educational and fraternal nature of our organization, one of our main goals each year is to make a significant monetary donation to a local charitable organization.

We are asking for your support (monetary or door prize gifts) for our upcoming WNYIA Golf Outing to be held at Lancaster Country Club on September 20, 2010. A major portion of the proceeds from the golf outing help fund our annual donation.

For example, a few of our past charity recipients were: Mercy Flight, Villa Maria College (we held a tree replanting campaign after one of our Catastrophic Wind Storms), Canine Helpers (dogs for the blind), SABAH (Skating Assoc. Blind and Handicapped) and Hospice. This year's recipient will be determined at our fall business meeting and will remain a local WNY charity.

The enclosed sponsorship form can be mailed to Matt Gortzig 5280 Powers Rd, Orchard Park, NY 14127. Please feel free to contact me if you have any questions.

Thank you for your support and know that any sponsorship will be greatly appreciated and advertised at the event.

Sincerely,

Wendy Clemens
